

The *extra money* you need to make it through the summer...freedom to breathe.... As a valued CVFCU member, you can save for summer fun by *skipping a month* on your credit union loan! Celebrate summer with *no payment* in May, June, July or August!

If you have more than one loan, you can skip one payment on each! It's so easy to save the money you need for the summer! Just fill out a separate form for each loan you want to skip and send it back to us. Mail to P.O. Box 1660, Lynchburg, VA 24505; fax to 434/528-0166; or bring to any of our branches.

There is no fee to take advantage of this service, but interest will continue to accumulate on your loan during the month you skip your payment. If your loan payment is deducted from another financial institution, the payment amount will be deposited into your CVFCU savings account and will resume as normal the following month.

Skip your car payment ~even if it's not with CVFCU! If you have an auto loan at another institution, this is a great time to refinance your loan. Save money **every** month with a great new rate and terms! Phone the Call Center now at 434/528-9016.
