Are you a member of CVFCU and in good standing?

Why do you wish to be a candidate for the Supervisory Committee of CVFCU?

As a Supervisory Committee member, you will be asked to sacrifice some of your time to meetings, training, etc. Do you have this time that you can give?

CVFCU's Supervisory Committee meets on a monthly basis, and must be available to do so when a staff liaison is available to assist them with requested documents; do you foresee any conflicts with this if you are appointed to the Supervisory Committee?

Do you have any problem or concerns working with other volunteers/groups?

Credit Union volunteers must be bonded; do we have your permission to obtain a credit report on you?

Please list any previous experience with credit unions, financial institutions or other background expertise you have that may be helpful:

Please list any other information that may help us determine if you should be selected to be a candidate for this position:

*** Please note that all CVFCU Supervisory Committee members serve on a volunteer, and as such unpaid, basis.*
