TRUTH-IN-SAVINGS ACCOUNT DISCLOSURES

The rates, fees, and charges applicable to your account at the Credit Union are provided in this Rate and Fee Schedule. The Credit Union may offer other rates for these accounts from time to time.

Except as specifically described, the following disclosures apply to all of the accounts.

- Rate Information.** The Dividend Rate and Annual Percentage Yield on your accounts are set forth above. The Annual Percentage Yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. The Dividend Rate and Annual Percentage Yield may change monthly as determined by the Credit Union's Board of Directors. For Share Term accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. The Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal will reduce earnings.
- Nature of Dividends.** Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period. The Dividend Rate and Annual Percentage Yield are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period.
- Compounding and Crediting.** Dividends will be compounded and credited as set forth in the Rate and Fee Schedule. The Dividend Period for each account is set forth in the Rate and Fee Schedule. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.
- Accrual of Dividends.** Dividends will begin to accrue on cash deposits and non-cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, accrued dividends will not be paid.

5. Balance Information. The minimum balance requirements for each account are set forth in the Rate and Fee Schedule. For Share accounts there is a minimum average daily balance required to obtain the Annual Percentage Yield for the dividend period. If the minimum average daily balance is not met, you will not earn the stated Annual Percentage Yield. For all accounts using an Average Daily Balance method, dividends are calculated by applying a periodic rate to the average daily balance in the account for the period. The average daily balance is determined by adding the full amount of principal in the account for each day of the period and dividing that figure by the number of days in the period.

There is no minimum balance requirement to earn the stated Annual Percentage Yield for Share Savings Accounts for DollarMation and myMoney Club members.

6. Account Limitations. The accounts that have account limitations are set forth in the Rate and Fee Schedule. For Share Savings, Money Market Savings, Money Market Gold, Money Market Preferred and Money Market Platinum accounts, no more than six (6) pre-authorized, automatic, or telephone transfers may be made from these accounts to another account of yours or to a third party in any month.

7. Additional Share Term Account Disclosures.

- Transaction Limitations.** After your account is opened, you may not add funds to your account or make withdrawals of dividends from your account in any amount as indicated in the Rate and Fee Schedule.
- Maturity.** Your account will mature within the term or at the maturity date set forth in the Rate and Fee Schedule or the maturity date set forth on your Account Receipt Notice or Renewal Notice.
- Early Withdrawal Penalty.** We may impose a penalty if you withdraw any of the principal before the maturity date, or the renewal date, if this is a renewal account.
- Amount of Penalty.** The amount of the early withdrawal penalty is 1% of the principal balance.
- Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

F. Renewal Policy. Your account is an automatically renewable account if indicated.

G. Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation of an owner, except obligations with Central Virginia Federal Credit Union.

8. Additional Checking Account Disclosures.

- Thrifty Checking.** Thrifty Checking accounts have no minimum balance and no maintenance fees are assessed.
- Interest Checking.** For Interest Checking accounts, a \$ 4.00 monthly maintenance fee will be assessed unless a \$ 250.00 minimum balance is maintained.
- Branchless Checking.** For Branchless Checking accounts, a \$ 5.00 monthly maintenance fee will be assessed if there are any lobby transactions (except deposits) during the calendar month.
- Preferred Checking.** For Preferred Checking accounts, a \$ 6.00 monthly maintenance fee will be assessed unless a \$ 1,200.00 minimum balance is maintained.
- Dominion Club Checking.** For Dominion Club Checking accounts, a \$ 3.00 monthly fee will be assessed unless a \$ 1,000.00 minimum balance is maintained.

9. Additional Christmas Club Disclosures.

- Transaction Limitations.** After your account is opened, you may not make any withdrawals of funds from your account in any amount until September 30th. Any withdrawal of funds will require closing of the account.
- Crediting of Dividends.** Your account will have dividends credited to the account on September 30th. The dividend period is from October 1st through September 30th.
- Early Withdrawal Penalty.** We may impose a penalty if you withdraw any of the funds deposited into this account before the dividend crediting date of September 30th.
- Amount of Penalty.** The amount of the early withdrawal penalty is all dividends earned on the account for the dividend period.
